

PRUEBAS METRAMEX

- No se puede eliminar el colaborador, al hacer clic no lo elimina

The screenshot shows a confirmation dialog box titled "Confirmar baja" (Confirm Deletion) with the message: "¿Realmente deseas dar de baja a este colaborador? Esta acción no es posible revertir." (Do you really want to deactivate this collaborator? This action cannot be reversed.) Below the message are two buttons: "CANCELAR" (Cancel) and a red "SI, CONFIRMAR" (Yes, Confirm) button. In the background, the main interface displays a list of collaborators under the "Generales" tab. The list includes columns for Nombre(s), Apellido(s), Fecha de nacimiento, Puesto, Número telefónico, and Acciones. Three collaborators are listed: Eduardo Soriano, Azael Ramirez, and Magaly Nicolas.

- Duda si al dar clic en si en la opción de problemas para conciliar el sueño, solo muestra horas y no es posible escribir.

The screenshot shows a form for updating a collaborator's history. On the left, there is a sidebar with navigation links: "Usuarios", "Empresas", and "Colaboradores". The main area contains several input fields and dropdown menus. Under "Actividad física", there are radio buttons for "Sí" and "No", with "Sí" selected. A text input field next to it contains the value "Boxeo". Under "Esquema de vacunación COVID", there are radio buttons for "Sí" and "No", with "Sí" selected. A text input field next to it contains the value "2". Under "Vacunación Influenza", there are radio buttons for "Aplicada" and "No aplicada", with "Aplicada" selected. Under "Grupo sanguíneo", there are radio buttons for "O", "A", "B", and "AB", with "O" selected. A dropdown menu next to it has "Positivo" selected. Under "Número de comidas al día", there is a text input field containing the value "5". Under "Habito del sueño", there is a text input field containing the value "6". Under "Problemas para conciliar el sueño", there are radio buttons for "Sí" and "No", with "Sí" selected. To the right of the "Sí" button is a text input field labeled "Horas de sueño" with the value "0". At the bottom right of the form is a red "GUARDAR Y CONTINUAR" (Save and Continue) button. A note at the bottom right of the page says "Activar Windows Ve a Configuración para activar Windows."

- Esta sección se rellenó en automático, sin que yo ingresara datos

The screenshot shows the 'Generales' (General) section of the application. On the left, there's a sidebar with navigation links: 'Usuarios', 'Empresas', and 'Colaboradores'. The main area displays a user profile with a placeholder image and the following data:

- Duda, no se si es la por la pantalla, pero se enciman los botones al dar clic en guardar

The screenshot shows a web-based application for managing clinical histories. On the left, a sidebar menu includes 'Usuarios', 'Empresas', and 'Colaboradores'. The main area has two panels: 'Generales' on the left showing a user profile with fields like Name (Magaly), Surname (Nicolás), Position (Desarrollo), Gender (femenino), Birth Date (07/08/2002), and Phone Number (9531291596); and 'Detalle de historial clínico' on the right. The clinical detail panel includes tabs for 'Periódico' (selected), 'Heredo-Familiares', 'Personales no patológicos', 'Personales patológicos', and 'Antecedentes Laborales'. Below these are sub-tabs: 'Exploración Física', 'Antecedentes Gineco Obstétricos', 'Antropométricos y Fisiológicos', 'Laboratorio y gabinete' (selected), and 'Expediente'. A red 'GUARDAR HISTORIA' button is at the top right. A green 'DESCARGAR' button and a red 'ELIMINAR' button are visible in the lower right of the clinical detail panel. A note at the bottom right says 'Activar Windows' and 'Ve a Configuración para GUARDAR Windows.'

- Cual es la diferencia entre guardar y el de guardar historia, porque los botones anteriores de las pestañas son de otro color para guardar los datos de cada pestaña.

This screenshot is identical to the one above, showing the same clinical history management interface for a user named Magaly Nicolás. The 'Expediente' tab is selected in the 'Laboratorio y gabinete' section. The 'GUARDAR HISTORIA' button is red, while the 'DESCARGAR' and 'ELIMINAR' buttons are green and red respectively. The note at the bottom right remains the same: 'Activar Windows' and 'Ve a Configuración para GUARDAR Windows.'

- No deja descargar el historial clínico
